### WCS - FINANCIAL AID INFORMATION

Philosophy - The purpose of the WCS Financial Aid program is to help families with major financial need to provide a Christian education for their children. Financial Aid is built upon a mutual relationship with a family where only a portion of the total school tuition is provided for a family (10-50%). This allows WCS to demonstrate the concern that families should not be "priced out" of the ministry of WCS. It also provides families the opportunity to demonstrate Biblical priorities and Christian faith in asking the Lord to provide for their needs.

All information requested by WCS will be totally confidential at the school committee level. The Family Financial Information is detailed but necessary as we endeavor to be good stewards of the Lord's resources. Be assured that the information will be kept confidential.
