

# Varsity Fall Sports Schedules

Be sure to join us this Fall at Home and Away games to cheer on our sports teams! Our coaches and team members appreciate your prayers and support throughout the season as they seek to honor God on and off the field.

On another note, we welcome Pastor Jay Riggelman as the new head coach for the Boys Varsity Soccer Team. Pastor Jay is the Pastor of Bible Baptist Church of Sodus. Along with years of coaching and field experience, he brings a fresh Biblical perspective to our young men.

## Flapjack Sports Fundraiser: Saturday, 8/28

Our annual Flapjack Sports Fundraiser will be held this year again at Applebees in Webster on Saturday, August 28th. The event runs from 8:00 a.m. to 10:00 a.m. You can stop by anytime between those two hours to enjoy a great breakfast and a good time of fellowship.

Tickets need to be pre-purchased before the event and are available in the school office for a cost of \$5 each. Please come out and enjoy a great breakfast and help our sports teams! It's a WIN-WIN!

*Thank you for your support of Webster Christian School! We look forward to a rewarding school year!*

## Parent Orientation: Tuesday, 9/7

Parent orientation for the 2010-2011 school year begins on Tuesday, September 7th at 7:00 in the church sanctuary.

The evening includes a brief overview of the school year, meeting the teachers, classroom visits, prayer for families and students, school handbooks distribution, and a refreshment and fellowship time.

## Welcome Back Students!

### Fleece Jackets/Hoodies

WCS continues to support the wearing of the school fleece jackets on those days when it is too cold to go without. In addition, the school will now permit neat hooded zip up jackets/pullover jackets as long as they maintain our policy of neatness and modesty.

The fleece jackets are still available for order (at \$35) in red or black with the school name or logo. Contact the office for ordering instructions.

## From The Administrator: Looking Forward

Hard to believe it is time to get ready to start a new school year. The summer has flown by but I sincerely hope it has been a great time with family and friends.

We are preparing to begin our 34th year at WCS in the fall. What a great example of God's goodness and blessing. All of the normal cleaning and painting has been completed and other significant improvements are underway.

When we begin our new year, Thursday September 9th, we will be welcoming many new students along with our new Middle School Math teacher, Jenny Miller.

Over the summer I had the privilege of being part of a mission's team, working with churches and schools in

Guatemala. This is the 4th such event I have been part of in Guatemala and reflection on this time takes me to God's goodness and sufficiency in His mission here at WCS.

WCS is a great mission field and we have the honor of sharing His truth and Word each day with over 200 students every day.

Our goal for this year remains simple: "To honor God in all we do", supporting each home as best we can. Remaining relentless in searching for and teaching God's truth for each subject presented.

Along the way our desire is to develop new disciples for Christ who are equipped to change their school, church, place of work and home.

Mr. Keith Bell

Thank you all for your incredible support of WCS. We look forward to ministering alongside each family in the training of the students.

Sincerely,  
Keith Bell

## Does Your Student Need Help Deciding on a Career?

Students often struggle with what occupation in life they should get involved with. God equips us in the areas of life that He desires for us. Obviously interests in a particular area and abilities that fit those interest areas also need to be explored to clarify how one is equipped by the Lord.

To help in understanding this process, Dr. Iamaio often gives Occupational Tests to students and older adults. If you would like your student to take one of these Occupational Tests, please give Dr. Iamaio a call to set up an appointment. He can be reached at school, 872-5150, ext. 221, or at his home office, (585) 671-9365.

*Note on Book Covers for the Middle and High School: When using the "stretchy" book covers on textbooks, please note that using a cover that is too small will damage the bindings. Please remember to use the appropriate size to accommodate the book.*

## From the School Nurse

Immunizations – Before your child begins school, the New York State Education Department requires written proof of the required immunizations as follows:

- DPT (3 doses), Polio (3 doses), Hepatitis B (3 doses).
- MMR (2 doses), Varicella (1 dose).
- Tdap when your child is 11 years old and entering Grade 6.

State mandated immunization records should be turned in to the school main office or the Health Office for all new students and anytime a mandated immunization is given to your child.

Please submit your child's immunization record and current physical examination by August 14, 2010. Also, current medication orders for all medications would be appreciated by August 14, 2010.

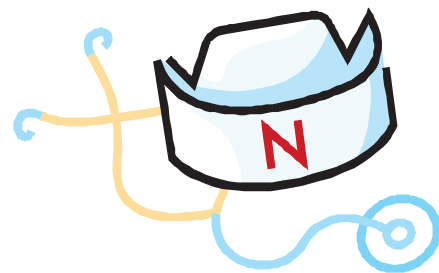

Especially important are emergency medication orders, i.e. Epi-pens, Benadryl, inhalers and glucagon. All medication orders must be renewed every school year (see the nurse for a form).

Screenings: All students are screened for vision, hearing and scoliosis according to the following schedule. Parents will be notified by letter if any of the

nurse's findings need to be followed up by their child's healthcare provider.

- Vision: grades K, 1, 2, 3, 5, 7, 10 and all new students.
- Hearing: grades K, 1, 3, 5, 7, 10 and all new students.
- Scoliosis(curvature of the spine), grades 5-9. Children receiving physicals from their own healthcare provider are not re-screened for scoliosis because that is part of the physical exam. Scoliosis screening is usually conducted in February during gym class. A notice will be sent out either by newsletter or separate flier to notify parents of this.

Physical Examinations - All new entrants and re-enrolling students in Grades K, 2, 4, 7 and 10 are required by state law to have a physical with the required form filled out, signed and dated by the doctor and returned to the school nurse by August 14, 2010.

## Put Away That iPod!

Distractions such as iPods, MP3 players, headphones, etc. must be off and stored away throughout the entire day. Seniors may use these devices during their study halls in the cafeteria.

## Calendar Reminders . . .

**Sept 14-17:** Spiritual Emphasis Week (6th-12th)

**September 22:** See You at the Pole (6th-12th)

**October 13:** School pictures taken

**October 30:** Seniors: please turn in individual photos and information to Mrs. Sandy Christen for 2011 graduation preparations

**November 18:** School picture absentee date

**September 17:** WCS Parent Phone Directories available

## Excused Absences

Is your student late or won't be in school at all? There are only three legitimate reasons to be out of school for which an "excused absence" will be assigned: (1) sickness or health issues, (2) funeral or death in family, (3) weather-related or district transportation problems. If your student is out for any other reason (such as a vacation), a tag of unexcused absence will be given on the report card.

## Collecting Labels

The school is still collecting Box Tops For Education and UPC labels from Campbell products. Classes will be rewarded for the largest donations. Make sure your child's class is clearly marked when you turn these in. Thank you for helping with this fundraiser!

## Real Men Read Program

James Houghtaling reads monthly to the Kindergarten class as a part of the Real Men Read program at Webster Christian School. James takes a personal interest in the Kindergartners and does a great job reading. The students consider it a real treat when Mr. Houghtaling comes to library class! His sons, Christopher and Colin, are in third grade at Webster Christian School and his daughter, Emily is in fifth grade.

Are there more Dads, Grandpas or big brothers out there who would like to read to WCS students? Contact Carol Satta in the library at 872-5150 x-227 or [csatta@webstercs.org](mailto:csatta@webstercs.org).

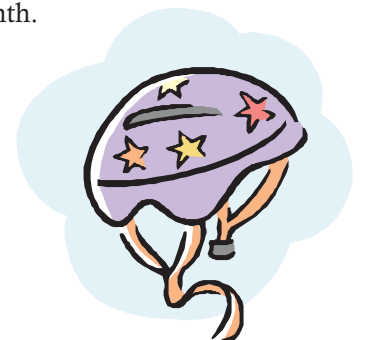

## Student Drop-Off

Be careful! Loading and unloading of students should only be done at the front of the building (straight ahead from entrance at Holt Road).

Anyone being transported by car should be picked up and dropped off at the loop by the flag pole. Do not let your child off at the back of the school before school has started. It is dangerous because of the volume of traffic and lack of supervision. After 8:05 you MUST come into the office to sign your student in.

## Tuition Payments

Please remember that we are dependent on the TIMELY AND FAITHFUL TUITION PAYMENTS from our families. Our ability to accomplish school goals and meet our obligations requires each family to remain current with their monetary commitments. Thank you for your understanding and helping us each month.

## Bike Safety Contest Winners

The following students have won the Bike Safety Contest and were awarded bike helmets: Lance Webster, Juliana Mantz, Gia Sylvester and Lauren Cahill.

## Cell Phone Reminder

Cell phones of students must be off and stored away when entering the school. Parents, no texting or calling your child at any time during the school day. Messages can be forwarded to students through the main office, ext. 223. Cell phone use by the student is only allowed in the school office with permission.
